S-type Speedlite Bracket & EL Fitting Speedlite Bracket

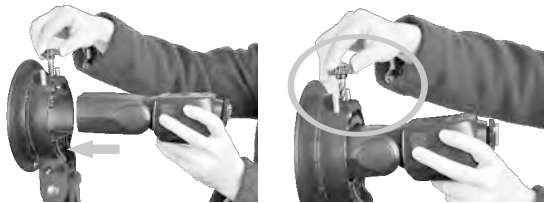

▶ S-EL Speedlite Bracket (Elinchrom mount)

▶ S-type Speedlite Bracket (Bowens mount)

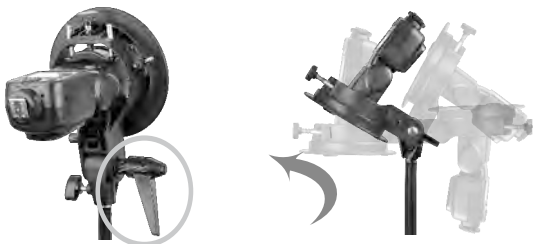

Operation Guide

Take the S-type Speedlite Bracket (Bowens mount) as an example :

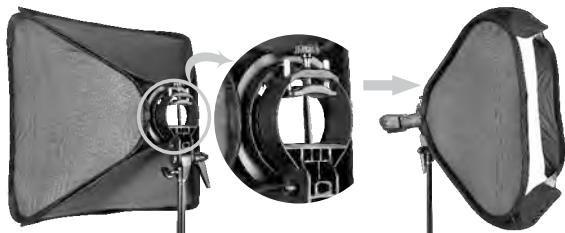

- Fix the flash body.

- Loosen screw of the handle for adjusting bracket direction.

- Mount speedlite softbox

- Mount Bowens-mount accessories

- Mounted Horizontally

- Mounted Vertically

- Fit for size-variable speedlites and barebulb flashes
